WHY SHOW UP

In 2026 a gun ban passed the Senate by one vote and died on a tie in the House. In 2027 there is no tie, and the governor-elect says the bill "is going to get passed."

Legislators count who shows up. Gun owners from across Minnesota will fill the Capitol together and meet their own legislators face to face.

GOOD TO KNOW

- Permit to Carry holders may carry a handgun at the event.
- Long guns are prohibited inside the buildings of the Capitol complex.
- Bring friends and family. Bring your neighbors.
