[County] County Attorney
[Street address]
[City], MN [ZIP]

Dear County Attorney [Last name],

I live in [County] County, and I'm writing to ask you to stand with the law-abiding gun owners of our county during the 2027 legislative session.

Your office decides whether to charge people in our county under the laws the Legislature passes. In 2026, legislators proposed a ban on nearly every semi-automatic rifle that would have made owners like me certify the ones we already have and let law enforcement inspect how we store them at home, with no warrant. Keeping a banned rifle would have been a felony carrying up to five years in prison. Another bill banned every magazine over 10 rounds, with no grandfathering. Legislative leaders have said these bans are coming again in January.

I'm asking you to put your position in writing to our state senator and representatives before these bills get their hearings: that you oppose bans on commonly owned firearms and magazines, any requirement that law-abiding Minnesotans register the firearms they already own, mandatory storage laws and storage inspections, and the other unconstitutional restrictions these bills would put on gun owners.

[One or two sentences in your own words: why you own firearms and why this matters to you.]

Thank you for your service to [County] County. I'd appreciate hearing where you stand.

Sincerely,

[Your name]
Resident of [County] County, Minnesota

> **Tips:** find your county attorney's name and contact information at gunowners.mn/countyattorneys. Be respectful and short; your county attorney answers to every voter in the county, and so do you. If your county attorney sends a statement, email it to contact@gunowners.mn and we'll post it. Provided by the Minnesota Gun Owners Caucus.
