Commissioner [First name] [Last name]
[County] County Board of Commissioners
[Street address]
[City], MN [ZIP]

Dear Commissioner [Last name],

I live in [County] County [in your district], and I'm writing to ask you to introduce, support, and vote for a resolution declaring [County] County a "Second Amendment Dedicated County."

In 2026, the Minnesota Senate passed SF 4067 by a single vote. It would have banned the sale of the most popular rifles in America and of standard magazines, and it would have required gun owners here to register what they already own with the state, pay a fee, and renew every three years, or face criminal charges. It stopped only because the House was tied.

The House is not tied in 2027. Legislative leaders have already said they will bring a semi-automatic ban and a magazine ban when the session opens on January 12. Other bills would repeal the state law that stops cities and counties from writing their own gun rules.

These laws would turn law-abiding [County] County residents, people who hunt, compete, and protect their families, into criminals. They would also put new costs on our sheriff, our county attorney, and our jail, paid for by county taxpayers.

A Second Amendment Dedicated County resolution tells our legislators, before they vote, where [County] County stands. I ask that the resolution:

- commit that county funds, staff, and facilities will not be used to enforce laws that infringe on our right to keep and bear arms, including any gun registry or certification program; and
- commit the county to use legal means, including court action, to protect that right.

[One or two sentences in your own words: why this matters to you and your family.]

Counties across Minnesota have passed resolutions like this one. I'd welcome the chance to talk with you about it, and I hope to see it on the board's agenda soon. Thank you for your time and for your service to our county.

Sincerely,

[Your name]
Resident of [County] County, Minnesota

> **Tips:** send a separate letter or email to each commissioner, and put your own reasons in the bracketed paragraph; personal letters count for far more than form letters. Find your commissioners on your county's website. A model resolution to attach is at gunowners.mn/sanctuary. Provided by the Minnesota Gun Owners Caucus.
